CONNECTICUT TEENS POLLED RESULTS RELEASED ON MAKING WOMEN VISIBLE DAY 2007!

Hartford—The state legislature's Permanent Commission on the Status of Women (PCSW) will release the results of a poll of teen girls and boys, *Connecticut Teens: Confident but Perceptions of Choices Limited on Making Women Visible Day*, Wednesday, January 24th, 2007. The results will be announced in room 2B of the Legislative Office Building from 11:15 AM to 12 Noon and will include a panel discussion responding to the results. This release of the poll results will be a part of many activities that day (see separate flyer).

The PCSW commissioned the Center for Survey Research and Analysis (CSRA) at the University of Connecticut to conduct a telephone survey of teens, both girls and boys, ages 14 through 17, in Connecticut to gather perceptions on issues and challenges that young women face in their everyday lives. The poll examined the everyday challenges and issues, hopes for the future, and career interests and goals of teens in Connecticut and to note differences in perception between teen girls and boys.
